Import Documentary Credit Applications (DC) and amendments

Apply for import DCs or make subsequent amendments online. DCs can be created faster and more efficiently using saved templates, beneficiary lists and DC clauses.

The screenshot shows the 'Create a DC Application' form in the HSBC Internet Trade Services interface. It includes fields for Location/Institution (Hong Kong SAR - HDAP), Account (001-577273-129 TRICHHI HOLDINGS LTD), and a 'To Parties' section with fields for DC number, Customer reference, and Method of transmission (Full Telextransmission). There are also buttons for 'Print', 'DC details', 'Documents received', 'Goods', 'Additional conditions', 'Instructions to bank', and 'Save'.

Import bill instructions

Create import bill instructions in one go. Details of all outstanding import bills awaiting instructions will be shown, and any discrepancies in an import bill will be presented so that you can decide whether to accept, reject or settle the bill.

The screenshot shows the 'Create Import Bill Instruction' form. It displays a 'Detail summary' table with the following data:

Supplier name	Honesty Trading Co
Outstanding amount	HKD 1.00
Original amount	HKD 1.00
Bill type	D/P
Term	At Sight
Bank received date	05/10/2004
Acceptance date	
Due date	
Current interest rate	0.5%

Export documentary credit advising and transfer

Full text of DC advised is available and can be downloaded. You can start your manufacturing and sourcing processes earlier with real-time information. DC can also be fully or partially transferred with the click of a button.

Trade account information

The following real-time detailed trade account information is available.

- Full text of DC issued or advised
- Outstanding and settled bills
- Shipping guarantees, airway bills and delivery orders
- Loans and margin deposits
- Expirations and due dates of DCs, bills and loans
- Account information

You may search for trade information by search criteria such as DC number, issue date or expiry date.

The screenshot shows the 'View Account Information' form. It includes a table of 'Pending Import DCs' with the following data:

DC number	Beneficiary name	CCY	Outstanding amount	Expiry Date	Status
071004	Teachon Holdings Ltd	HKD	1.00	11/10/2004	Incomplete
	RIT Industrial Company				Incomplete
809000	Honesty Trading Co	HKD	36.00	25/10/2004	Incomplete
	Tetrah Enterprises Ltd	HKD	100.00	31/12/2004	Pend Auth
	ERS Ltd	HKD	1.10	15/11/2004	Pend Auth

Credit facility reporting

You can view facility information, including available credit and outstanding balances of all import/export accounts maintained with us, and monitor all transactions marked against the facility.

Security

HSBCnet makes use of sophisticated SSL 128-bit encryption technology to deliver a high availability, secure service enforcing the use of usernames and passwords for information access. For administrative activities and financial transactions, a user requires a smart card that contains a unique personal digital certificate in association with a Personal Identification Number (PIN).

Contact

If you are interested in finding out more about Internet Trade Services, or to subscribe to the service, simply contact your HSBC Relationship Manager.

Instant@dvice

At HSBC, we understand the importance of receiving information as promptly as possible. That is why we have developed Instant@dvice, an alternative and efficient means of receiving a copy of your Documentary Credit (DC), subsequent amendment(s) and advices via e-mail* for imports and exports.

Features and Benefits

At HSBC, we understand the importance of receiving information as promptly as possible. That is why we have developed Instant@dvice, an alternative and efficient means of receiving a copy of your Documentary Credit (DC), subsequent amendment(s) and advices via e-mail* for imports and exports.

Instant@dvice saves exporters and importers precious time and money by offering the following advantages:

- Enhanced accuracy in document preparation
Cut the relevant text from the copy of the DC sent to you via e-mail and "paste" it on other trade documents as required.
- Greater efficiency and convenience
Simply send the relevant information to your buyer, supplier, freight forwarder, insurance provider or other trade partners immediately.
- Improved logistics management
Reduce the time spent waiting for phone calls, faxes and even delivery of hard copy advices of your transactions with HSBC. Upon receipt of the DC, you can start your manufacturing and sourcing process immediately or send it onto your supplier and other trade partners, hassle-free.

How can Instant@dvice benefit you? How can Instant@dvice benefit you?

- As an export customer
You can nominate upto five e-mail addresses to receive a copy of your export DCs, subsequent amendment(s) and other advices*
You can sign up for our free DC Safe Custody service. With this service, your original DCs will be securely kept with HSBC, saving you courier, handling and storage costs.
* Only one e-mail address will receive other export advices.
- As an import customer
You can nominate one e-mail address to receive a copy of your import DCs, subsequent amendment(s) and other advices. For more information, please visit our Trade Services Offices or e-mail us at info@hsbc.co.in

[Click here to download the application form for instant@dvice.](#)

*Only available for DCs received via SWIFT, Society for Worldwide Interbank Financial Telecommunication. All advices, DCs and subsequent amendments via instant@dvice are non-negotiable copies.
