

HIBU Grievance Redressal Policy

We believe that customer service is an important imperative for sustained business growth and we want to ensure that our customers receive exemplary service across different touch points while dealing with HSBC Gift City Branch ('the Bank'). Prompt and efficient service is essential to retaining existing relationships and customer satisfaction is critical to the Bank.

Customer complaints constitute an important voice of customer, and this policy details complaint handling through a structured grievance redressal framework. Complaint redressal is supported by a review mechanism, to minimize the recurrence of similar issues in future. The Bank's Grievance Redressal policy follows the following principles:

1. Customers are treated fairly at all times.
2. Complaints raised by customers are dealt with courtesy and in a timely manner.
3. Customers are informed of avenues to escalate their complaints within the organization, and their rights if they are not satisfied with the resolution of their complaints.
4. Complaints are treated efficiently and fairly.
5. The Bank employees work in good faith and without prejudice, towards the interests of the customers.

This policy is available on the Bank's website and at our branches on request. Employees are aware of the complaint handling process and the grievance redressal mechanism of the Bank.
