

Independent Auditor's Report

To the Members of HSBC InvestDirect Financial Services (India) Limited Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of HSBC InvestDirect Financial Services (India) Limited ('the Company'), which comprise the Balance Sheet as at 31 March 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flow and the Statement of Changes in Equity for the year then ended and notes to the financial statements, including a summary of the material accounting policies and other explanatory information (hereinafter referred to as the 'financial statement').
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, the relevant circulars, guidelines and directions issued by the Reserve Bank of India (RBI) from time to time ('RBI Guidelines') and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2024, and its profit (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matter

4. Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. We have determined that there are no key audit matters to communicate in our report.

Information other than the Financial Statements and Auditor's Report thereon

5. The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Directors Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report the fact. We have nothing to report in this regard.

Board of Directors' Responsibilities for the Financial Statements

6. The accompanying financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS specified under section 133 of the Act, RBI guidelines and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
7. In preparing the financial statements, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as

applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

8. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

9. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
10. As part of an audit in accordance with Standards on Auditing, specified under section 143(10) of the Act we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to the financial statements in place and the operating effectiveness of such controls based on our audit;
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors;
 - Conclude on the appropriateness of Board of Directors and management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report.

However, future events or conditions may cause the Company to cease to continue as a going concern;

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation; and
 - Obtain sufficient appropriate audit evidence regarding the financial statements of the Company to express an opinion on the financial statements.
11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
 13. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

14. As required by section 197(16) of the Act, based on our audit and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 read with Schedule V to the Act.
15. As required by the Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure I, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
16. Further to our comments in Annexure I, as required by section 143(3) of the Act based on our audit, we report, to the extent applicable, that:
 - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying financial statements;

- b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c) the financial statements dealt with by this report are in agreement with the books of account;
- d) in our opinion, the aforesaid financial statements comply with Ind AS specified under section 133 of the Act;
- e) on the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2024 from being appointed as a director in terms of section 164(2) of the Act;
- f) with respect to the adequacy of the internal financial controls with reference to financial statements of the Company as on 31 March 2024 and the operating effectiveness of such controls, refer to our separate Report in Annexure II wherein we have expressed an unmodified opinion; and
- g) with respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. the Company does not have any pending litigations as at 31 March 2024, which would impact its financial position;
 - ii. the Company, as detailed in note 5 and 35.1 to the financial statements, has made provision as at 31 March 2024, as required under the applicable law or accounting standards, for material foreseeable lossess, if any, on long-term contracts. The Company did not have any derivative contracts as at 31 March 2024;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31 March 2024.

- iv.a. The management has represented that, to the best of its knowledge and belief, as disclosed in note 38.A to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company to or in any person or entity, including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- b. The management has represented that, to the best of its knowledge and belief, as disclosed in note 38.B to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- c. Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our attention that causes us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.
- v. The company has not declared/paid any dividend during the year ended 31 March 2024. Accordingly, the provision of section 123 of the Act is not applicable; and
- vi. Based on our examination, which included test checks, the Company has used various accounting software for maintaining its books of account which have a feature of recording audit trail (edit log) facility, which have operated throughout the year for all relevant transactions recorded in the software. Based on our procedures performed, we did not notice any instance of the audit trail feature being tampered with.

Mumbai, 29 May 2024

Annexure I referred to in Paragraph 15 of the Independent Auditor's Report of even date to the members of HSBC InvestDirect Financial Services (India) Limited on the financial statements for the year ended 31 March 2024

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment including quantitative details and situation of these assets.

(B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) As per information and explanation given to us and as verified by us, the Company has a regular program of physical verification of its Property, Plant and Equipment and Right of use assets whereby all items of fixed assets are verified by the management at the year end and no material discrepancies were noticed on such verification. In our opinion, the frequency of the physical verification adopted by the company, is reasonable having regard to the size of the Company and the nature of its assets.
- (c) The title deeds of all the immovable properties as disclosed in the Note no. 10 of the financial statements included in (property, plant and equipment) and are held in the name of the Company.
- (d) The Company has not revalued any of its Property, Plant and Equipment and intangible assets during the year.
- (e) According to the information and explanations given to us, and as verified by us, no proceedings have been initiated during the year or are pending against the Company as at 31 March 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder. Accordingly, reporting under clause 3(i)(e) of the Order is not applicable to the Company.
- ii) (a) The Company does not hold any inventory. Accordingly, reporting under clause 3(ii)(a) of the Order is not applicable to the company.

(b) According to the information and explanations given to us, and as verified, the Company has not been sanctioned any working capital limits in excess of Rs. 5 crores, in aggregate from banks and financial institutions on the basis of security of current assets. Accordingly, reporting under clause (ii)(b) of the Order is not applicable to the company.
- iii) (a) The Company is a Non-Banking Finance Company and its principal business is to give loans. Accordingly, reporting under clause 3(iii)(a) of the Order is not applicable to the Company.

Annexure I referred to in Paragraph 15 of the Independent Auditor's Report of even date to the members of HSBC InvestDirect Financial Services (India) Limited on the financial statements for the year ended 31 March 2024

- (b) The investments made and terms and conditions of the grant of all loans and advances in the nature of loans are not, prima facie, prejudicial to the Company's interest. Company has not provided any guarantee and also not given security to any party.
 - (c) The Company is a Non-Banking Financial Company ('NBFC'), registered under provisions of the Reserve Bank of India Act, 1934 and rules made thereunder and is regulated by various regulations, circulars and norms issued by the Reserve Bank of India including Master Circular - Prudential norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances. In respect of loans and advances in the nature of loans granted by the Company, we report that the schedule of repayment of principal and payment of interest has been stipulated and the repayments/receipts of principal and interest are regular.
 - (d) According to the information and explanations given to us, and based on the audit procedures performed, in respect of loans granted and advances in the nature of loans provided by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.
 - (e) The Company is a Non-Banking Finance Company, and its principal business is to give loans. Accordingly, reporting under clause 3(iii)(e) of the Order is not applicable to the Company.
 - (f) The Company has not granted any loans or advances in the nature of loans which are repayable on demand or without specifying any terms or period of repayment during the year. Accordingly, reporting under clause 3(iii)(f) of the Order is not applicable to the company.
- iv) In our opinion, and according to the information and explanations given to us, the Company has not granted any loans, made investments or provided guarantees or securities to the parties that are covered under the provisions of sections 185 or 186 of the Companies Act, 2013, and hence reporting under clause 3(iv) of the Order is not applicable.
 - v) The provisions of the sections 73 to 76 and any other relevant provisions of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended), are not applicable to the Company being an non-banking financial company registered with the Reserve Bank of India ('the RBI'), and also the Company has not accepted any deposits from public or there is no amount which has been considered as deemed deposit within the meaning of sections 73 to 76 of the Act. Accordingly, reporting under clause 3(v) of the Order is not applicable to the Company.
 - vi) The Central Government has not specified maintenance of cost records under sub-section (1) of section 148 of the Act, in respect of Company's products/business activity. Accordingly, reporting under clause 3(vi) of the Order is not applicable.
 - vii) (a) In our opinion, and according to the information and explanations given to us, The company is regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income Tax, Goods and Services tax and any other

Annexure I referred to in Paragraph 15 of the Independent Auditor's Report of even date to the members of HSBC InvestDirect Financial Services (India) Limited on the financial statements for the year ended 31 March 2024

statutory dues with appropriate authorities, where applicable. Further, there are no undisputed amounts payable in respect of such statutory dues which have remained outstanding as at 31st March, 2024 for a period of more than six months from the date they became payable. Also, refer note 28 to the financial statements regarding management's assessment on certain matters relating to provident fund.

- (b) According to the information and explanations given to us, there are no dues outstanding in respect of Income-tax and Goods and Services Tax on account of any dispute.
- viii) According to the information and explanations given to us and as verified by us, no transactions were surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961), which have not been recorded in the books of accounts.
- ix)a) According to the information and explanations given to us, the Company has not defaulted in repayment of its loans or other borrowings or in the payment of interest thereon to any lender during the year.
 - b) According to the information and explanations given to us including representation received from the management of the Company, and on the basis of our audit procedures, we report that the Company has not been declared a wilful defaulter by any bank or financial institution or government or other lender.
 - c) In our opinion and according to the information and explanations given to us, money raised by way of term loans were applied for the purposes for which these were obtained, though idle / surplus funds which were not required for immediate utilization have been invested in readily realizable liquid investments.
 - d) In our opinion and according to the information and explanations given to us, and on an overall examination of the financial statements of the Company, funds raised by the company on short-term basis have not been utilised for long term purposes.
 - e) The Company did not have any subsidiary or associate or joint venture during the year and hence, reporting under clause (ix)(e) of para 3 of the Order is not applicable.
 - f) The Company does not have investment in subsidiaries, joint ventures or associate companies and hence reporting on clause (ix)(f) of para 3 of the Order is not applicable.
- x) a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, reporting under clause 3(x)(a) of the Order is not applicable to the company.
 - b) During the year the Company has not made any preferential allotment or private placement of shares or fully or partly or optionally convertible debentures. Accordingly, reporting under clause 3(x)(b) of the Order is not applicable to the company.
- xi)a) According to the information and explanations given to us and as verified by us, no fraud by the Company or no material fraud on the company has been noticed or reported during the period covered by our audit.

Annexure I referred to in Paragraph 15 of the Independent Auditor's Report of even date to the members of HSBC InvestDirect Financial Services (India) Limited on the financial statements for the year ended 31 March 2024

- b) According to the information and explanations given to us and as verified by us, no report under section 143(12) of the Act has been filed with the Central Government for the period covered by our audit.
- c) According to the information and explanations given to us including the representation made to us by the management of the Company, there are no whistleblower complaints received by the Company during the year.
- xii) The company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, reporting under clause 3(xii) of the Order is not applicable to the company.
- xiii) In our opinion and according to the information and explanations given to us, all transactions entered into by the company with the related parties are in compliance with Section 177 and 188 of the Act, where applicable. Further, the details of such related party transactions have been disclosed in the financial statements in Note no. 36, as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified in Companies (Indian Accounting Standards) Rules 2015 as prescribed under section 133 of the Act.
- xiv) a) In our opinion and according to the information and explanations given to us, the Company has an internal audit system as required under section 138 of the Act which is commensurate with the size and the nature of its business.

b) We have considered, the Internal audit reports issued to the Company till date for the period under audit.
- xv) According to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with them. Accordingly, provisions of Section 192 of the Act are not applicable to the Company.
- xvi) a) The Company is required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and such registration has been obtained by the Company.

b) The company holds a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934 for operating as a Non-Banking Financial Company.

The Company has not conducted any Housing Finance activities during the year and is not required to obtain CoR for such activities from the RBI. Accordingly, reporting under clause 3(xvi)(b) of the Order is not applicable to the company.
- c) According to the information and explanations given to us, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the RBI. Accordingly, reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.
- d) Based on the information and explanations given to us and as represented by the management of the Company, the Group has only 1 CIC as detailed in the Note 37 of

Annexure I referred to in Paragraph 15 of the Independent Auditor's Report of even date to the members of HSBC InvestDirect Financial Services (India) Limited on the financial statements for the year ended 31 March 2024

the Financial statements and subsequently does not required to be registered with the Reserve Bank of India. We have not, however, separately evaluated whether the information provided by the management is accurate and complete.

- xvii) The Company has not incurred any cash loss in the current as well as the immediately preceding financial year.
- xviii) There has been no resignation of the statutory auditors during the year. Accordingly, reporting under clause (xviii) of Para 3 of the Order is not applicable to the company.
- xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- xx) The Company has fully spent the required amount towards Corporate Social Responsibility (CSR) and there is no unspent CSR amount for the year requiring a transfer to a Fund specified in Schedule VII to the Companies Act or special account in compliance with the provision of sub-section (6) of section 135 of the said Act. Accordingly, reporting under clause 3(xx) of the Order is not applicable for the year.
- xxi) The reporting under clause 3(xxi) is not applicable in respect of audit of financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

Annexure II to the Independent Auditor's Report of the even date to the members of HSBC InvestDirect Financial Services (India) Limited on the financial statements for the year ended 31 March 2024

Independent Auditor's Report on the internal financial controls with reference to the financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

(Referred to in paragraph 16 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

1. In conjunction with our audit of the financial statements of HSBC InvestDirect Financial Services (India) Limited ('the Company') as at and for the year ended 31 March 2024, we have audited the internal financial controls with reference to financial statements of the Company as at that date.

Board of Director's Responsibilities for Internal Financial Controls

2. The Company's Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the ICAI prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Annexure II to the Independent Auditor's Report of the even date to the members of HSBC InvestDirect Financial Services (India) Limited on the financial statements for the year ended 31 March 2024

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Annexure II to the Independent Auditor's Report of the even date to the members of HSBC InvestDirect Financial Services (India) Limited on the financial statements for the year ended 31 March 2024

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2024, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Statement of cash flows for the year ended March 31, 2024

(All amounts in INR lakh, unless otherwise stated)

Particulars	Note	Mar 31, 2024	Mar 31, 2023
CASH FLOW FROM OPERATING ACTIVITIES :			
Profit before tax:		4,277.55	3,209.29
Adjustments :			
Depreciation and amortisation	10 & 11	30.38	28.31
Impairment on financial assets	24	7.29	2.89
Interest expense on borrowings	23	2,546.01	1,107.84
Interest paid on borrowings	23	(2,543.27)	(1,107.84)
Interest on loans	21(a)	(13,869.92)	(7,840.51)
Interest received on loans	21(a)	13,168.25	7,433.35
Provision for employee benefit - gratuity	25	12.66	11.50
Interest expense on debt securities	23	5,830.54	2,619.24
Stamp duty on mutual fund	21(b) & 26	7.73	-
Interest expense on Corporates	23	143.99	-
Interest paid on Corporates	23	(81.28)	-
Interest income on bank deposits	21(a)	(279.17)	(202.14)
Unrealised gain on mutual fund	21(b)	(9.13)	-
Realised gain on mutual fund	21(b)	(85.39)	(134.44)
Interest income on income tax refund	22	-	(18.86)
Operating profit before working capital changes		9,156.24	5,108.63
Adjustments for working capital changes:			
Increase in loans	5	(66,415.72)	(28,492.84)
Increase in other financial assets	7	(26.24)	-
(Increase)/decrease in other non financial assets	12	(58.52)	33.70
(Decrease)/ increase in trade payables	13	(11.73)	34.53
Increase/(decrease) in other financial liabilities	16	15.62	(1.85)
Decrease in provisions	17	(22.36)	(12.69)
Increase in other non financial liabilities	18	32.19	5.53
Cash generated from operations		(66,486.76)	(28,433.62)
Less : Income taxes paid (net of refunds)		(1,163.18)	(921.88)
Net cash outflow used in operating activities		(58,493.70)	(24,246.87)
CASH FLOW FROM INVESTING ACTIVITIES :			
Placement of fixed deposit with bank	4	(3,700.00)	(3,700.00)
Proceeds from fixed deposit with bank	4	3,700.00	3,700.00
Interest income on bank deposits	21(a) & 4	262.77	201.56
Purchase of property, plant and equipment and intangible assets	10 & 11	(20.15)	(2.31)
Investment in mutual fund	6	(154,582.73)	(112,150.00)
Redemption of mutual fund	6	147,577.14	114,211.86
Net cash (outflow)/ inflow (used in) / generated from investing activities		(6,762.97)	2,261.11
CASH FLOW FROM FINANCING ACTIVITIES :			
Proceeds from borrowings	15	77,500.00	29,800.00
Repayment of borrowings	15	(66,000.00)	(17,000.00)
Proceeds from issue of debt securities	14	302,586.52	132,847.71
Repayment of debt securities	14	(247,000.00)	(125,500.00)
Net cash inflow generated from from financing activities		67,086.52	20,147.71
NET INCREASE/(DECREASE) IN CASH AND CASH EQUIVALENTS		1,829.85	(1,838.05)
Add : Cash and cash equivalents at beginning of the year		(1,715.31)	122.74
Cash and cash equivalents at end of the year		114.54	(1,715.31)

Reconciliation of cash and cash equivalents as per the cash flow statement

Cash and cash equivalents as per above comprise of the following

Particulars	Note	As at March 31, 2024	As at March 31, 2023
Cash and cash equivalents	3	114.54	35.97
Bank overdrafts	15	-	(1,751.28)
Balances as per statement of cash flows		114.54	(1,715.31)

Note:

i) Amount spent in cash towards Corporate Social Responsibility is INR 54.00 (March 2023: 54.20)

ii) Net debt reconciliation

This section sets out an analysis of net debt and the movements in net debt for each of the periods presented. Refer note 14, 5 & 6.

Particulars	As at March 31, 2024	As at March 31, 2023
Cash and cash equivalents, bank overdrafts	114.54	(1,715.31)
Liquid investments	7,084.66	-
Debt securities - commercial paper	(99,549.65)	(38,132.59)
Borrowings - loans from related parties, banks and corporates	(40,559.18)	(29,000.00)
Net debt	(132,909.63)	(68,847.90)

The above statement of cash flows should be read in conjunction with the accompanying notes.

The above statement of cash flows has been prepared under the Indirect method as set out in Ind AS 7 on Statement of Cash Flows.

This is the statement of cash flows referred to in our report of even date.

HSBC InvestDirect Financial Services (India) Limited

Notes to financial statements for the year ended March 31, 2024

1 Background

HSBC InvestDirect Financial Services (India) Limited ('HIFSL or the Company') is registered as a Non Banking Financial Company ('NBFC') (non-deposit accepting) as defined under section 45-IA of the Reserve Bank of India ('RBI') Act, 1934. The Company is a wholly owned subsidiary of HSBC InvestDirect (India) Private Limited.

The Company is domiciled in India and primarily engaged in the business of financing against securities including equity shares, bonds, mutual funds, sovereign bonds, Treasury bills and Government Securities. As per the Master Direction - RBI (Non-Banking Financial Company – Scale Based Regulation) Directions, 2023 dated October 19, 2023 and amended on time to time, the Company is classified as an Investment and Credit Company (NBFC - ICC).

As per the Scale Based Regulations (SBR), the Company is classified as Middle Layer as the asset size of the Company is above INR 10,000 million.

2A Material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

i) Basis of preparation

Compliance with Ind AS

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015], other relevant provisions of the Act and guidelines along with circulars issued by the RBI from time to time.

Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- certain financial assets and liabilities are measured at fair value; and
- defined benefit plans - plan assets are measured at fair value.

New Standards/ Amendments notified but not yet effective :

Ministry of Corporate affairs (MCA) notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) rules as issued from time to time. During the year ended Mar 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to Company.

The Ministry of Corporate Affairs had vide notification dated 23 March 2023 notified Companies (Indian Accounting Standards) Amendment Rules, 2022 which amends certain accounting standards, and are effective 1 April 2023.

Ind AS 1 – Presentation of Financial Statements - The company has disclosed their material accounting policies rather than their significant accounting policies. Accounting policy information, together with other information, is material when it can reasonably be expected to influence decisions of primary users of general purpose financial statements. The Company do not have any significant impact in its financial statements.

Ind AS 12 – Income Taxes - The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 (recognition exemption) so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences. The Company do not have any significant impact in its financial statements.

Ind AS 8 – Accounting policies, Changes in Accounting Estimates & Errors – The amendments will help entities to distinguish between accounting policies and accounting estimates. The definition of a change in accounting estimates has been replaced with a definition of accounting estimates. Under the new definition, accounting estimates are “monetary amounts in financial statements that are subject to measurement uncertainty”. Entities develop accounting estimates if accounting policies require items in financial statements to be measured in a way that involves measurement uncertainty. The Company do not have any significant impact in its financial statements.

Presentation

The Company is covered in the definition of Non-Banking Financial Company as defined in Companies (Indian Accounting Standards) (Amendment) Rules, 2016. The Company presents its financial statements in accordance with Division III of Schedule III to the Companies Act, 2013. A maturity analysis of recovery or settlement of assets and liabilities within 12 months after the reporting date and more than 12 months after the reporting date is presented in Note 33.

HSBC InvestDirect Financial Services (India) Limited
Notes to financial statements for the year ended March 31, 2024 (Contd.)

ii) Segment reporting

The Company's Chief Operating Decisions Maker (CODM), who has the ability to evaluate performance and allocates resources, is the Managing Director (MD). In a manner consistent with the internal reporting provided to the MD for corporate planning, there are no separate reportable segments (including geographical segments) other than single business segment of financing.

iii) Property, plant and equipment

Freehold land is carried at historical cost. Items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit and loss during the reporting period in which they are incurred.

Depreciation methods, estimated useful lives and residual value

Depreciation on the following assets has been based on the management's estimate of useful life/ remaining useful life. The residual values are not more than 5% of the original cost of the asset.

(a) Assets costing INR 35000 or less are depreciated at 100% in the year of capitalisation.

(b) Useful life of other assets is estimated as under:

FY 2023-24		
Category of assets	Useful lives followed by Company (years)	Useful lives prescribed in Schedule II (years)
Office Equipments	5	5
Data Processing Equipments - Laptop	4	3
Data Processing Equipments – Servers	5	6

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount. Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/(losses).

iv) Intangible assets:

Intangible Assets are stated at acquisition cost, net of accumulated amortization and accumulated impairment losses, if any. Intangible assets are amortised on a straight line basis over their estimated useful lives. The amortisation period and the amortisation method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortisation period is changed accordingly.

Gains or losses arising from the retirement or disposal of intangible assets are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised as income or expense in the Statement of Profit and Loss.

Amortisation methods and periods

The Company amortises intangible assets using the straight-line method over the following periods:

Category of assets	Useful lives followed by Company (years)
Computer Softwares	3 years or license life

v) Investments & other financial assets

(a) Classification

The Company classifies its financial assets in the following measurement categories:

1. those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
2. those to be measured at amortised cost.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

HSBC InvestDirect Financial Services (India) Limited
Notes to financial statements for the year ended March 31, 2024 (Contd.)

For investments in debt instruments, this will depend on the classification of debt instruments depending on:

- (i) the Company's business model for managing the asset; and
- (ii) the cash flow characteristics of the asset (Solely payments of principal and interest).

The Company determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objective.

The Company's business model is not assessed on an instrument-by-instrument basis, but at a higher level of aggregated portfolios and is based on observable factors such as:

- how the asset's performance and the business model is evaluated and reported to key management personnel
- the risks that affect the performance of the business model and how these risks are assessed and managed

As a second step of its classification process the Company assesses the contractual terms of financial instrument to identify whether they meet the SPPI test, where the business model is to hold assets to collect contractual cash flows or to collect contractual cash flows and sell, the Company assesses whether the financial instruments cash flows represent solely payments of principal and interest (the 'SPPI test'). In making this assessment, the Company considers whether the contractual cash flows are consistent with a basic lending arrangement i.e. interest includes only consideration for the time value of money, credit risk, other basic lending risks and a profit margin that is consistent with a basic lending arrangement. Where the contractual terms introduce exposure to risk or volatility that are inconsistent with a basic lending arrangement, the related financial asset is classified and measured at fair value through profit and loss.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

(b) Recognition

Regular way of purchase and sales of financial assets are recognised on trade date the date on which the Company commits purchase or sale of financial asset.

(c) Measurement

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Financial assets

Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

Amortised cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in finance income using the effective interest rate method. Any gain or loss arising on derecognition is recognised directly in profit or loss and presented in other gains/(losses). Impairment losses are presented as separate line item in the statement of profit and loss.

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows or for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest income and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/(losses). Interest income from these financial assets is included in other income using the effective interest rate method. Foreign exchange gains and losses are presented in other gains/(losses) and impairment expenses are presented as separate line item in statement of profit and loss.

Fair value through profit or loss (FVTPL): Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss is recognised in profit or loss and presented net within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in profit and loss.

HSBC InvestDirect Financial Services (India) Limited
Notes to financial statements for the year ended March 31, 2024 (Contd.)

Equity instruments

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss following the derecognition of the investment. Dividends from such investments are recognised in profit or loss as other income when the Company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other gain/ (losses) in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

Financial liabilities and equity instrument

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instrument

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company is recognised at the proceeds received, net of directly attributable transaction costs.

Financial liabilities

Financial liabilities are measured at amortised cost. The carrying amounts are determined based on the EIR method. Interest expense is recognised in profit or loss. Any gain or loss on de-recognition of financial liabilities is also recognised in profit or loss. Undrawn loan commitments are not recorded in the balance sheet.

(d) Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 35 details how the Company determines whether there has been a significant increase in credit risk.

The Company hold impairment allowances as required by Ind AS. The Company also maintain the asset classification and compute provisions as per extant prudential norms on Income Recognition, Asset Classification and Provisioning (IRACP) including borrower/beneficiary wise classification, provisioning for standard as well as restructured assets, NPA ageing, etc. A comparison between provisions required under IRACP and impairment allowances made under Ind AS 109 is disclosed by the Company in Note 39.

In line with the requirements of the Companies Act and RBI guidelines, an ECL policy is designed to assess and provide for impairment allowance on the credit exposures based on the projected 12 M expected loss model. The provisioning is basis sound judgment and estimates using the historical trend analysis. The policy broadly defines the methodology of the ECL model, its impact on the impairment provisioning and accounting treatment, its impact on the regulatory capital and ratios. The model compares the provisioning under the RBI prudential guidelines and standard asset provisioning guidelines to arrive at fair estimate of provisioning of Impairment allowance.

Financial assets

A financial asset is derecognised only when

1. The Company has transferred the rights to receive cash flows from the financial asset or
2. retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying value of the original financial liability and the new financial liability with modified terms is recognised in profit and loss.

The Company has elected not to apply the requirements of Ind AS 116 to short-term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value. The lease payment associated with the leases are recognised as an expense on a straight-line basis over the lease term.

Interest income

Interest income from financial assets at fair value through profit or loss is disclosed as interest income under revenue from operations. Interest income on financial assets at amortised cost and financial assets at FVOCI is calculated using the effective interest method is recognised in the statement of profit and loss under revenue from operations.

Interest income is calculated by applying the effective interest rate to the gross carrying amount of a financial asset except for financial assets that subsequently become credit-impaired. For credit-impaired financial assets the effective interest rate is applied to the net carrying amount of the financial asset (after deduction of the loss allowance).

vi) Employee Benefits:

(a) Short-term obligations

Liabilities for salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as employee benefit obligations in the balance sheet.

(b) Post employment obligations

The Company operates the following post-employment schemes:

- defined benefit plans such as gratuity and
- defined contribution plans such as provident fund.

(1) Defined benefit plans (Gratuity)

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

(2) Provident fund

The Company pays provident fund contributions to publicly administered provident funds as per local regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due.

(c) Bonus

The Company recognises a provision where it is contractually obliged or where there is a past practice that has created a constructive obligation.

HSBC InvestDirect Financial Services (India) Limited
Notes to financial statements for the year ended March 31, 2024 (Contd.)

vii) Income Tax:

The income tax expense for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the Company operates and generates taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

viii) Cash and cash equivalents:

For the purpose of presentation in the Statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in financial liabilities in the balance sheet.

ix) Special Reserve:

In accordance with section 45-IC of the RBI Act, 1934, the Company creates a reserve fund and transfers therein a sum not less than twenty percent of its net profit before any dividend is declared every year end, and is disclosed in the other equity.

x) Provisions and Contingent Liabilities:

Provisions

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent Liabilities

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or reliable estimate of the amount cannot be made, is termed and disclosed as contingent liability.

xi) Impairment of assets

Non-financial assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

xii) Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down.

Borrowings are derecognised when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished and the consideration paid is recognised in profit or loss as other gains/(losses).

xiii) Rounding of amounts

All amounts disclosed in the financial statements are in lakh and rounded off to the nearest two decimals as per the requirement of Schedule III, unless otherwise stated.

2B Critical estimates and judgements

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates of judgements are:

- Estimation of current tax asset (Refer Note 8)
- Estimation of defined benefit obligation (Refer Note 29)
- Estimation of expected credit losses (Refer Note 35)
- Fair value of unquoted Investments (Refer Note 6)
- Estimation of provision for expense and levies (Refer Note 13)

During the year, there were no defaults in the repayment of principal or interest.

(All amounts in INR lakh, unless otherwise stated)

15 Borrowings (other than debt securities) (Contd.)

- 15.1** During the year, there were no defaults in the repayment of principal or interest.
15.2 The Company has used the borrowings from bank or financial institutions for the specific purpose for which it was taken.
15.3 The Company has not been declared wilful defaulter by any bank or financial institutions.
15.4 There are no breach in covenants raised against the loans.

15.5 Registration of charges or satisfaction with Registrar of Companies (ROC)

The Company has no default in compliance with the requirements of Companies Act, 2013. However, during the FY 2022-2023, the Company had filed for satisfaction of four charges against the Company with a delay. The Ministry of Corporate Affairs (MCA) has condoned the delay in satisfaction of the said charges with a payment of INR 1.15 lakh for each charge, amounting to INR 4.6 lakh. The Company had filed the Order of condonation with the MCA for the said satisfaction and the same was reflected on MCA. There are no charges against the Company as on 31 March 2024.

15.6 Net debt reconciliation

Total other equity	40,157.00	36,929.58
---------------------------	------------------	------------------

Nature and purpose of other equity**a) Securities premium**

Securities premium is used to record the premium on issue of shares. This is to be utilised in accordance with the provisions of the Companies Act, 2013.

b) Statutory reserve

Special reserve represents appropriation of retained earning as per Section 45 IC of the Reserve Bank of India Act, 1934. No appropriation of any sum from the statutory reserve fund shall be made by the NBFC except for the purpose as may be specified by the RBI from time to time.

c) General reserve

The general reserve is created by transfer from retained earnings as per the provision of the Companies Act. It can be used in accordance with the provisions of the Companies Act.

d) Retained earnings

Retained earnings represents surplus/accumulated earnings of the Company and are available for distribution to shareholders.

e) Impairment reserve

As per circular number RBI/2019-20/170 dated March 13, 2020, an Impairment Reserve is created when impairment allowance under Ind AS 109 is lower than the provisioning required under IRACP (including standard asset provisioning), the Company shall appropriate the difference from their net profit or loss after tax to a separate Impairment Reserve. As per the circular, the balance in the Impairment Reserve shall not be reckoned for regulatory capital.

f) FVOCI equity investments

The Company has elected to recognise changes in the fair value of certain investments in equity securities in other comprehensive income. These changes are accumulated within the FVOCI equity investments reserve within equity. The Company transfers amounts from this reserve to retained earnings when the relevant equity securities are derecognised.

HSBC InvestDirect Financial Services (India) Limited

Notes to financial statements for the year ended March 31, 2024 (Contd.)

(All amounts in INR lakh, unless otherwise stated)

26 Other expenses (Contd.)

c) Short - term lease disclosures

The Company has elected not to apply the requirements of Ind AS 116 to short-term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value. The lease payment associated with the leases are recognised as an expense on a straight-line basis over the lease term.

The Company incurred INR 99.92 (INR 101.96 for FY 22-23) for the year ended March 31, 2024 towards expense relating to short-term lease.

Lease contracts entered by the Company majorly pertains for office space taken on lease to conduct its business in the ordinary course by using the existing infrastructure and utilities provided in the building. The Company does not have any lease restrictions and commitments towards variable rent as per the contract.

d) Struck - off companies

The Company did not have any transactions with companies struck off under section 248 of Companies Act, 2013 or section 560 of Companies Act, 1956.

27 Income tax expenses**a) The components of income tax expense for the period ended March 31, 2024 and March 31, 2023 are:**

Particulars	Mar 31, 2024	Mar 31, 2023
Current tax	1,093.34	829.70
Deferred tax	0.39	2.59
(Excess) provision for tax	(45.16)	(1.45)
Total	1,048.57	830.84

b) Reconciliation of the total tax charge

The tax charge shown in the Statement of Profit and Loss differs from the tax charge that would apply if all profits had been charged at India corporate tax rate. A reconciliation between the tax expense and the accounting profit multiplied by India's domestic tax rate for the year ended March 31 2024 and March 31, 2023 is, as follows:

Particulars	Mar 31, 2024	Mar 31, 2023
Accounting profit before tax	4,277.55	3,209.29
Tax at India's statutory income tax rate of 25.17% (previous year 25.17%)	1,076.57	807.78
Tax effect of the amount which are not taxable in calculating taxable income :		
- Expenses disallowed	13.59	14.80
- Income not subject to tax	-	-
- (Excess) provision for tax of earlier years	(45.16)	(1.45)
- Other	3.57	9.72
Income tax expense at effective tax rate	1,048.57	830.85
Effective tax rate	24.51%	25.89%

c) Deferred tax assets/liabilities

The balance comprises temporary differences attributable to the below items and corresponding movement in deferred tax liabilities / assets:

Particulars	As at March 31, 2023	(Charged)/ credited to profit and loss	(Charged)/ credited to OCI	As at March 31, 2024
Deferred tax asset :		(0.70)		
Property, plant and equipment/ Intangible asset	8.90		-	8.20
Expenses allowable on payment basis as per section 43B of Income Tax Act, 1961	10.00	0.91	0.69	11.60
Impairment allowance for financial assets	2.90	1.70	-	4.60
Deferred tax liability:				
Unrealised gain on mutual fund	-	(2.30)	-	(2.30)
Net deferred tax asset	21.80	(0.39)	0.69	22.10

Particulars	As at March 31, 2022	(Charged)/ credited to profit and loss	(Charged)/ credited to OCI	As at March 31, 2023
Deferred tax asset :		(2.80)		
Property, plant and equipment/ Intangible asset	11.70		-	8.90
Expenses allowable on payment basis as per section 43B of Income Tax Act, 1961	7.60	(0.89)	3.29	10.00
Impairment allowance for loans	2.20	0.70	-	2.90
Deferred tax liability:				
Unrealised gain on mutual fund	(0.40)	0.40	-	-
Net deferred tax asset/ (liability)	21.10	(2.59)	3.29	21.80

28 Contingent liabilities and commitments (to the extent not provided for)**Provident Fund**

The Honourable Supreme Court has recently provided a judgment in case of "Vivekananda Vidyamandir And Others Vs The Regional Provident Fund Commissioner (II) West Bengal" and the related circular (Circular No. C-I/1(33)2019/Vivekananda Vidya Mandir/284) dated March 20, 2019 issued by the Employees' Provident Fund Organisation in relation to non-exclusion of certain allowances from the definition of "basic wages" of the relevant employees for the purposes of determining contribution to provident fund under the Employees' Provident Funds & Miscellaneous Provisions Act, 1952. In the assessment of the Management, the aforesaid matter is not likely to have a significant impact.

29 Employee benefit obligations

a) Defined contribution plans

The Company has recognised the following amounts in the statement of profit and loss towards contribution to defined contribution plans which are included under contribution to provident and other funds:

Particulars	Mar 31, 2024	Mar 31, 2023
Provident fund	28.16	21.66
Others	1.40	1.11

b) Defined benefit plans

The Company has a defined benefit plan for post-employment benefits in the form of Gratuity. The Company contributes to the "Gratuity Trust". Every employee is entitled to a benefit equivalent to thirty days salary last drawn for each completed year of service. The same is payable at the time of separation from the Company or retirement whichever is earlier. The benefits vest after four years and one hundred ninety days of continuous service.

The following tables summarise the components of net benefit expense recognised in the statement of profit or loss and the funded status and amounts recognised in the balance sheet for the respective plans:

i) Balance Sheet

	Present value of obligation	Fair value of plan assets	Net amount
As at April 1, 2022	87.26	73.72	13.54
Current service cost	11.05	-	11.05
Interest expense/(income)	5.39	4.95	0.44
Total amount recognised in Profit and Loss	16.44	4.95	11.49
Return on plan assets excluding amounts included in interest expense/income	-	1.31	(1.31)
Actuarial loss / (gain) arising from change in financial assumptions	(1.33)	-	(1.33)
Actuarial loss / (gain) arising on account of experience changes	15.70	-	15.70
Total amount recognised in Other Comprehensive Income	14.37	1.31	13.06
Employer contributions	-	13.54	(13.54)
Benefit payments	(13.67)	(13.67)	-
As at March 31, 2023	104.40	79.85	24.55
Current service cost	11.78	-	11.78
Interest expense/(income)	7.38	6.50	0.88
Total amount recognised in Profit and Loss	19.16	6.50	12.66
Return on plan assets excluding amounts included in interest expense/income	-	1.32	(1.32)
Actuarial loss / (gain) arising from change in financial assumptions	0.70	-	0.70
Actuarial loss / (gain) arising on account of experience changes	3.36	-	3.36
Total amount recognised in Other Comprehensive Income	4.06	1.32	2.74
Employer contributions	-	24.56	(24.56)
Benefit payments	(1.06)	(1.06)	-
As at March 31, 2024	126.56	111.17	15.40

Particulars	As at March 31, 2024	As at March 31, 2023
Present value of plan liabilities	126.56	104.40
Fair value of plan assets	111.17	79.85
Plan liability net of plan assets	15.40	24.55

ii) Statement of Profit and Loss

Particulars	Mar 31, 2024	Mar 31, 2023
Employee Benefit Expenses:		
Current service cost	11.78	11.05
Total	11.78	11.05
Finance cost	0.88	0.44
Net impact on the profit before tax	12.66	11.49
Remeasurement of the net defined benefit liability:		
Return on plan assets excluding amounts included in interest expense/income	(1.32)	(1.31)
Actuarial (gain) arising from change in financial assumptions	0.70	(1.33)
Actuarial loss arising on account of experience changes	3.36	15.70
Net impact on the other comprehensive income before tax	2.74	13.06

iii) Defined benefit plans assets

Category of assets (% allocation)	As at March 31, 2024	As at March 31, 2023
- Insurer Managed Fund (HDFC Group Unit link plan - Option B)	100%	100%
Total	100%	100%

29 Employee benefit obligations (Contd.)

iv) Actuarial assumptions

With the objective of presenting the plan assets and plan liabilities of the defined benefits plans at their fair value on the balance sheet, assumptions under Ind AS 19 are set by reference to market conditions at the valuation date.

Particulars	As at March 31, 2024	As at March 31, 2023
Discount rate	7.0%	7.1%
Salary escalation rate*	7.0%	7.0%

* takes into account the inflation, seniority, promotions and other relevant factors

v) Demographic assumptions

Particulars	As at March 31, 2024	As at March 31, 2023
Mortality rate	Indian Assured Lives Mortality (2006-08) Ultimate	Indian Assured Lives Mortality (2006-08) Ultimate
Withdrawal rate	10%	10%

vi) Sensitivity

As at March 31, 2024	Change in assumption Increase or Decrease by	Impact on defined benefit obligation	
		Increase	Decrease
Discount rate	0.5%	(3.44)	3.61
Salary escalation rate	0.5%	3.56	(3.46)
Withdrawal Rate	5.0%	(0.89)	1.02

As at March 31, 2023	Change in assumption Increase or Decrease by	Impact on defined benefit obligation	
		Increase	Decrease
Discount rate	0.5%	(2.91)	3.05
Salary escalation rate	0.5%	3.05	(2.93)
Withdrawal Rate	5.0%	(0.26)	0.26

The above sensitivity analysis are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to the prior period.

vii) Maturity (undiscounted)

The defined benefit obligations shall mature after year end as follows:

Particulars	As at March 31, 2024	As at March 31, 2023
1st Following Year	13.52	11.31
2nd Following Year	13.86	11.79
3rd Following Year	17.67	15.41
4th Following Year	17.02	12.21
5th Following Year	18.25	15.89
Sum of 6 to 10	135.78	109.24

The weighted average duration of the defined benefit obligation is 7 years (previous year - 7 years)

viii) Risk Exposure

Interest rate risk : The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase.

Salary Inflation risk : Higher than expected increases in salary will increase the defined benefit obligation.

Demographic risk : This is the risk of variability of results due to unsystematic nature of decrements that include mortality, withdrawal, disability and retirement. The effect of these decrements on the defined benefit obligation is not straight forward and depends upon the combination of salary increase, discount rate and vesting criteria. It is important not to overstate withdrawals because in the financial analysis the retirement benefit of a short career employee typically costs less per year as compared to a long service employee.

HSBC InvestDirect Financial Services (India) Limited
Notes to financial statements for the year ended March 31, 2024 (Contd.)

(All amounts in INR lakh, unless otherwise stated)

30 A. Segment information

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker as defined in Ind AS 108 – Operating Segments. The Company operates in a single business segment of financing and there are no separate reportable segments identified as per the Ind AS 108 - Segment Reporting.

B. Revenue from contracts with customers
i) Below table provides disaggregation Of the Company's revenue from contracts with customers

Particulars	Mar 31, 2024	Mar 31, 2023
i) Type of service		
- Prepayment charges	5.00	-
Total	5.00	-
ii) Primary geographical market:		
- Outside India	-	-
- India	5.00	-
Total Revenue from contracts with customers	5.00	-
iii) Timing of revenue recognition		
- at a point in time upon rendering services	5.00	-
- over a period of time upon rendering services	-	-
Total	5.00	-
iv) Trade receivables towards contracts with customers		
- Opening Balances	-	-
- Closing Balances	-	-
v) Impairment on trade receivables towards contract with customers	-	-

ii) Reconciliation between revenue as per IndAS 108 Segment Reporting and revenue as per IndAS 115 Revenue from contract with customers. The Company is engaged primarily in the business of financing activity and accordingly there are no separate reportable segment as per IndAS 108 dealing with Operating Segment.

31 Earnings per share (EPS)
a) Computation of basic & diluted earnings per share is given below:

Particulars	Mar 31, 2024	Mar 31, 2023
Basic & Diluted earnings per share		
Net profit after tax available for equity shareholders (A) (Rs. In lakh)	3,228.98	2,378.45
Weighted average number of equity shares (B)	146,284,720	146,284,720
Basic & Diluted earnings per share (A/B) (Rs.)	2.21	1.63
Nominal value per share (Rs.)	10	10

Basic earnings per share is calculated by dividing:

1. the profit attributable to owners of the Company
2. by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in

Diluted earnings per share

There are no diluted potential equity share

(All amounts in INR lakh, unless otherwise stated)

32 Capital management

The Company maintains an actively managed capital base to cover risks inherent in the business and is meeting capital adequacy requirements of the local banking supervisor, Reserve Bank of India (RBI). The adequacy of the Company's capital is monitored using, amongst other measures, the regulations issued by RBI. Company has complied in full with all its externally imposed capital requirements over the reported period. The primary objectives of the Company's capital management policy are to ensure that the Company complies with externally imposed capital requirements and maintains strong credit ratings and healthy capital ratios in order to support its business and to maximise shareholder value.

The Company manages its capital structure and makes adjustments to it according to changes in economic conditions and the risk characteristics of its activities. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividend payment to shareholders, return capital to shareholders or issue capital securities. No changes have been made to the objectives, policies and processes from the previous years. However, they are under constant review by the Board.

Regulatory Capital

Capital to risk assets ratio (CRAR):	As at March 31, 2024	As at March 31, 2023
Tier I capital	54,026.34	51,066.81
Tier II capital	18.18	11.47
Total capital	54,044.52	51,078.28
Risk weighted assets	211,684.13	115,015.89
CRAR (%)	25.53%	44.41%
CRAR - Tier I capital (%)	25.52%	44.40%
CRAR - Tier II capital (%)	0.01%	0.01%
Amount of subordinated debt considered as Tier II capital	-	-
Amount raised by issue of perpetual debt instruments	-	-

33 Maturity analysis of assets and liabilities

(All amounts in INR lakh, unless otherwise stated)

The table below shows an analysis of assets and liabilities analysed according to when they are expected to be recovered or settled.

Particulars	As at March 31, 2024			As at March 31, 2023		
	Within 12 months	After 12 months	Total	Within 12 months	After 12 months	Total
Financial assets

HSBC InvestDirect Financial Services (India) Limited
Notes to financial statements for the year ended March 31, 2024 (Contd.)

(All amounts in INR lakh, unless otherwise stated)

34 Fair value measurement

a) Financial Instruments by Category

The material accounting policies, including the criteria for recognition, the basis of measurement and the basis on which income and expenses are recognised, in respect of each class of financial asset, financial liability and equity instrument are disclosed in note 2A (v) to the financial statements.

Particulars	As at March 31, 2024			As at March 31, 2023		
	Fair value through Profit or Loss	Fair value through OCI	Amortised cost	Fair value through Profit or Loss	Fair value through OCI	Amortised cost
Financial Assets:						
Cash and cash equivalents	-	-	114.54	-	-	35.97
Bank balance other than cash and cash equivalents	-	-	4,049.00	-	-	4,032.60
Loans	-	-	181,822.06	-	-	114,711.38
Investments	7,084.66	170.57	-	-	170.57	-
Other financial assets	-	-	97.72	-	-	71.48
Total Financial Assets	7,084.66	170.57	186,083.32	-	170.57	118,851.43
Financial Liabilities:						
Trade payables	-	-	129.80	-	-	141.53
Debt securities	-	-	99,549.65	-	-	38,132.59
Borrowings (other than debt securities)	-	-	40,559.18	-	-	30,751.28

Total Financial Liabilities	-	-	140,260.96	-	-	69,032.11

34 Fair value measurement (Contd.)

b) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard.

The hierarchies used are as follows:

Level 1: Hierarchy includes financial instruments measured using quoted prices. The quoted equity securities are valued at quoted prices as per the stock exchange.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

As at March 31, 2024

Assets and liabilities for which fair values are disclosed	Note	Level 1	Level 2	Level 3	Total
Financial assets					
Investments	6	7,084.66	-	170.57	7,255.23
Total financial assets		7,084.66	-	170.57	7,255.23

As at March 31, 2023

Assets and liabilities for which fair values are disclosed	Note	Level 1	Level 2	Level 3	Total
Financial assets					
Investments	6	-	-	170.57	170.57
Total financial assets		-	-	170.57	170.57

The following table summarises valuation techniques used to determine fair value, fair value measurements using significant unobservable inputs (level 3) and valuation inputs and relationships to fair value.

Financial Instruments	Fair value as at March 31, 2024	Fair value as at March 31, 2023	Fair value hierarchy	Valuation technique(s) and key input(s)	Significant unobservable input(s)	Relationship of unobservable inputs to fair value
Equity Shares - unquoted	170.57	170.57	Level 3	Valuation is based on Net asset value method which is based on the asset and liabilities values as per the audited financial statements of the investee company and audited earnings upon reporting date.	Unaudited earning for the year.	The estimated fair value would increase (decrease) if the annual earnings were higher (lower)

Sensitivity disclosure for level 3 fair value measurements:

Particulars	Unobservable input	Sensitivity	Impact of change in rates of Total Comprehensive Income			
			As at March 31, 2024		As at March 31, 2023	
			Favourable	Unfavourable	Favourable	Unfavourable
Equity Shares- unquoted	Annual Unaudited earning	1%	0.19	(0.19)	0.18	(0.18)

(All amounts in INR lakh, unless otherwise stated)

34 Fair value measurement (Contd.)

i) There are no transfers between levels 1, 2 and 3 during the year.

The Company uses the following hierarchy for determining and disclosing the fair value of financial assets by valuation technique:

The fair value of financial instruments are classified into three categories i.e. Level 1, 2 or 3 depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active market for identical assets or liabilities (level 1 measurements) and lowest priority to unobservable inputs (level 3 measurements).

c) Valuation technique used to determine fair value

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal market at the measurement date under current market conditions (i.e., an exit price), regardless of whether that price is directly observable or estimated using a valuation technique.

Specific valuation techniques used to value financial instruments include:

- The fair value of the remaining financial instruments is determined using discounted cash flow analysis and the discount rates used were adjusted for counterparty or own credit risk.

Valuation process

The credit risk management team performs the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values. This team reports directly to the CRO and these valuations are reviewed by CFO.

The main level 3 inputs for loans against financial securities are discount rates, which are determined using weighted-average interest rates of loans sanctioned in March 2024 and March 2023.

d) Fair value of financial assets and liabilities measured at amortised cost

Particulars	As at March 31, 2024		As at March 31, 2023	
	Carrying Value	Fair Value	Carrying Value	Fair Value
Financial assets				
Loan against financial securities (LAS)	181,822.06	182,086.56	114,711.38	116,444.58
Total financial assets	181,822.06	182,086.56	114,711.38	116,444.58
Financial liabilities				
Debt securities	99,549.65	102,473.50	38,132.59	38,132.59
Borrowings	40,559.18	40,461.75	30,751.28	30,751.28
Total financial liabilities	140,108.83	142,935.25	68,883.87	68,883.87

For financial assets and financial liabilities that have a short-term maturity (less than twelve months), the carrying amounts are a reasonable approximation of their fair value. Such instruments include, cash and bank balances, security deposits, other financial assets, trade and other payables, other financial liabilities, debt securities and borrowings. Such amounts have been classified as Level 3.

35 Financial risk management

The Company's activities expose it to market risk, liquidity risk and credit risk. The Company's risk management is carried out by the Company's Risk Management team (led by a CRO) under policies approved by the board of directors. The Company has a loan policy, which provides guidances for overall risk management, specifically credit risk and market risk. There is also an interest rate policy to manage interest rate risk and liquidity risk.

35.1 Credit risk management

Credit risk is the risk of suffering financial loss, should any of the Company's customers, clients or market counterparties fail to fulfil their contractual obligations to the Company. Credit risk arises mainly from loans and advances, and loan commitments arising from such lending activities.

Credit risk is the single largest risk for the Company's business; management therefore carefully manages its exposure to credit risk. The credit risk management and control are centralised in a credit risk management team which reports in to the CRO. Assessment of lending proposals includes assessment of borrower's background; financial strength and leverage; operational & financial performance track record; cash flows; valuation of collateral and similar parameters.

The Company offers a single product which is lending against financial securities (LAS). It is more than 100% secured product with regulatory risk weight assigned of 100%. A real-time risk monitoring system is put in place to assist the risk team to initiate the necessary margin call triggers and take necessary action including liquidation of collaterals to protect against the probable bad debts.

(a) Loans and advances (incl. loan commitments and guarantees)

The company measures credit risk using Probability of default (PD), Exposure of Default (EAD) and loss given default (LGD). This is similar to the approach used for the purposes of measuring expected credit loss (ECL) under Ind AS 109. Refer to Note 35.1 (b) for further details.

Financial assets other than loans

The Company has credit risk exposure in cash and cash equivalents, deposits with banks, and other financial assets. Cash and cash equivalents and bank deposits are held with only high rated banks/financial institutions only, therefore credit risk is perceived to be low or considered low.

Other financial assets pertain to security deposits for rented premises, margin deposit. The Company does not perceive any significant decline in credit risk of the lessors and hence expected probability of default is considered as low. No ECL has been provided for cash and cash equivalents and other financial asset.

Customer Risk Rating (CRR)

The Company uses internal CRR rating model that enables its assessment of credit risk of individual counterparties. The internal CRR is tailored to the various categories of counterparty. Borrower and loan specific information collected at the time of application (such as disposable income, and level of collateral) is fed into this rating model. The internal CRR is calibrated such that the risk of default increases exponentially at each higher CRR.

The Company considers Ratings upto CRR 5.3 under standard Category 1 exposures, Ratings from 6.1 to 8.3 under Stage 2 exposures and Ratings starting CRR 9 and above under stage 3 exposures.

The internal CRR is calibrated such that the risk of default increases exponentially at each higher CRR.

The Company has its own internal credit rating framework that is used for rating of the borrowers at the time of sanction and during the annual re-rating exercise. Any other known information about the borrower which impacts their creditworthiness – such as unemployment and previous delinquency history – is also incorporated into the annual re-rating exercise. Based on the analysis done by the Company, the parameters in the rating model (borrower strength, operating risk, market risk, financials, etc.) are given a score between 1 (highest) to 10 (lowest). The internal rating is based on the final score derived from the credit rating model.

Refer to table below for details:

Internal score	Description of the grade
0.1, 1.1, 1.2	Minimum Default Risk
2.1, 2.2	Low Default Risk
3.1, 3.2, 3.3	Satisfactory Default Risk
4.1, 4.2, 4.3	Fair Default Risk
5.1, 5.2, 5.3	Moderate Default Risk
6.1, 6.2	Significant Default Risk
7.1, 7.2	High Default Risk
8.1, 8.2, 8.3	Special Management
9, 10	Default

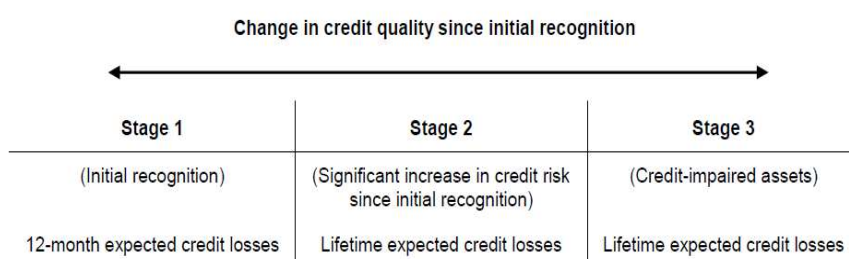

35.1 Credit risk management (Contd.)

(b) Expected credit loss measurement

Ind AS 109 outlines a 'three-stage' model for impairment based on changes in credit quality since initial recognition as summarised below:

- A financial instrument that is not credit-impaired on initial recognition is classified in 'Stage 1' and has its credit risk continuously monitored by the Company.
- If a significant increase in credit risk ('SICR') since initial recognition is identified, the financial instrument is moved to 'Stage 2' but is not yet deemed to be credit-impaired. Please refer to note 35.1(b)(i) for a description of how the Company determines when a significant increase in credit risk has occurred.
- If the financial instrument is credit-impaired, the financial instrument is then moved to 'Stage 3'. Please refer to note 35.1(b)(ii) for a description of how the Company defines credit-impaired and default.
- Financial instruments in Stage 1 have their ECL measured at an amount equal to the portion of lifetime expected credit losses that result from default events possible within the next 12 months. Instruments in Stages 2 or 3 have their ECL measured based on expected credit losses on a lifetime basis. Please refer to note 35.1(b)(iv) for a description of inputs, assumptions and estimation techniques used in measuring the ECL.
- A pervasive concept in measuring ECL in accordance with Ind AS 109 is that it should consider forward-looking information. Note 35.1(b)(v) includes an explanation of how the Company has incorporated this in its ECL models.

The following diagram summarises the impairment requirements under Ind AS 109 (other than purchased or originated credit-impaired financial assets):

The key judgements and assumptions adopted by the Company in addressing the requirements of the standard are discussed below:

(i) Significant increase in credit risk (SICR)

The Company considers a financial instrument to have experienced a significant increase in credit risk when one or more of the following quantitative, qualitative or backstop criteria have been met:

Quantitative criteria:

The credit risk on a financial asset of the Company are assumed to have increased significantly since initial recognition when contractual payments are more than 30 days past due. Accordingly, the financial assets shall be classified as Stage 2, if on the reporting date, it has been more than 30 days past due. It may be kept in mind that the Company's Risk Management team can initiate sale of securities through invocation, to regularise the contractual payments due to the Company.

Qualitative criteria:

For all financial instruments held by the Company, if the borrower is on the watch, worry, monitor list and/or the instrument meets one or more of the following criteria:

- Significant adverse changes in business, financial and/or economic conditions in which the borrower operates
- Significant change in collateral value (secured facilities only) which is expected to increase risk of default
- Early signs of cash flow/liquidity problems such as delay in servicing of trade creditors/loans
- The CRR of the borrower deteriorates to Significant Default Risk (internal score: 6.1, 6.2) / High Default Risk (internal score: 7.1, 7.2)

The assessment of SICR incorporates forward-looking information (refer to note 35.1(b)(v) for further information) and is performed on a monthly basis at a portfolio level. The criteria used to identify SICR are monitored and reviewed periodically for appropriateness by the independent Risk Management team.

Backstop

The Company enjoys more than 100% collateral cover. There is a theoretical possibility that factors beyond the control of the Risk Management team may impact the realisability of security cover. Amongst other things, some such factors are listed below:

- Injunction on borrower, which prevents the Company from selling the collateral cover
- Regulatory advise on no sale of securities
- Underlying collateral security is locked on the lower circuit or have only sellers in the stocks

35.1 Credit risk management (Contd.)

(ii) Definition of default and credit-impaired assets

Borrowers for whom the CRR has deteriorated to Special Management (internal score: 8.1, 8.2, 8.3) / Default (internal score: 9, 10), are considered to be credit-impaired.

In the SICR section above, the potential impact of factors beyond the control of the Risk Management team has been enumerated. Apart from the uncontrollable factors, the Company does not foresee a scenario where the financial instruments would be credit-impaired, by virtue of one or more of the following criteria:

- The Company is conservative in its' customer selection criteria
- The Company observes an internal rating criteria before onboarding new customers and before renewing limits for existing customers
- The Company accepts collateral cover only for eligible securities. The criteria for determining eligible securities is described in the loan policy for each category of collateral (equity shares, mutual funds, bonds etc.)
- In the past, HIFSL has not witnessed any Credit defaults or Credit losses on the LAS as a product. All loans are Stage 1 assets with a satisfactory historical repayment behavior.
- The loans offered have a contractual tenor of 12-36 months. Loans with a contractual tenor of more than 12 months are subject to annual review and approval. All the loans have a put/call option for the borrower/lender respectively.
- All financial collateral are valued on a continuing basis vis-a-vis the loan exposure for any shortfall which are required to be regularised in a maximum of 7 working day's time. Else, the financial collateral are subject to sell off.
- Any financial collateral showing quality deterioration is required to be swapped with better quality security as advised by Risk Management team.
- All loans are demand loans callable with a short notice.

(iii) Upgradation from higher stage to lower stage

For upgradation from higher stage to lower stage (i.e. to have cured):

Loan and advances is not moved from higher stage to lower stage immediately after payment of overdue amount, following cooling off period is applied:

From Stage 2 to Stage 1

- Contractual payments are in lower than 30 days past due for at least six months

This period of six months has been determined based on an analysis which considers the likelihood of a financial instrument returning to default status after cure using different possible cure definitions.

(iv) Measuring ECL - Explanation of inputs, assumptions and estimation techniques

The Expected Credit Loss (ECL) is measured on either a 12-month (12M) or Lifetime basis depending on whether a significant increase in credit risk has occurred since initial recognition or whether an asset is considered to be credit-impaired. Expected credit losses are the discounted product of the Probability of Default (PD), Exposure at Default (EAD), and Loss Given Default (LGD), defined as follows:

- The PD represents the likelihood of a borrower defaulting on its financial obligation (as per "Definition of default and credit-impaired" above), either over the next 12 months (12M PD), or over the remaining lifetime (Lifetime PD) of the obligation.
- EAD is based on the amounts the Company expects to be owed at the time of default, over the next 12 months (12M EAD) or over the remaining lifetime (Lifetime EAD). For example, for a revolving commitment, the Company includes the current drawn balance plus any further amount that is expected to be drawn up to the current contractual limit by the time of default, should it occur.
- Loss Given Default (LGD) represents the Company's expectation of the extent of loss on a defaulted exposure. LGD varies by type of counterparty, type and seniority of claim and availability of collateral or other credit support. LGD is expressed as a percentage loss per unit of exposure at the time of default (EAD). LGD is calculated on a 12-month or lifetime basis, where 12-month LGD is the percentage of loss expected to be made if the default occurs in the next 12 months and Lifetime LGD is the percentage of loss expected to be made if the default occurs over the remaining expected lifetime of the loan.

The ECL is determined by projecting the PD, LGD and EAD for each future month and for each individual exposure or collective segment. These three components are multiplied together and adjusted for the likelihood of survival (i.e. the exposure has not prepaid or defaulted in an earlier month). This effectively calculates an ECL for each future month, which is then discounted back to the reporting date and summed. The discount rate used in the ECL calculation is the original effective interest rate or an approximation thereof.

Forward-looking economic information is also included in determining the PD, EAD and LGD. Refer to note 35.1(b)(v) for an explanation of forward-looking information and its inclusion in ECL calculations.

There have been no significant changes in estimation techniques or significant assumptions made during the reporting period.

(v) Forward-looking information incorporated in the ECL model

The assessment of SICR incorporates forward-looking information. All loans are Stage 1 assets with a satisfactory historical repayment behaviour. The Company's LAS portfolio comprises highly liquid financial collateral which are valued on a continuing basis vis-a-vis the loan exposure for any shortfall which are required to be regularised in a maximum of 7 working day's time. Else, the financial collateral are subject to sell off.

In the SICR section above, the potential impact of factors beyond the control of the Risk Management team has been enumerated. Apart from the uncontrollable factors, it is unlikely that any of the Stage 1 assets would move to Stage 2.

Other forward-looking considerations not otherwise incorporated within the above scenarios, such as the impact of any regulatory, legislative or political changes, which are likely to culminate into reduction in realisable value of collateral securities are built in through the annual stress-testing exercise (which is a regulatory requirement). The portfolio is stress-tested under various scenarios to arrive at the impact analysis on the loan portfolio, but are not deemed to have a material impact and therefore no adjustment has been made to the ECL for such factors. This is reviewed and monitored for appropriateness on an annual basis.

35.1 Credit risk management (Contd.)

(vi) Financial assets measured on a collective basis

ECL is calculated on a collective basis for the entire LAS portfolio.

(vii) Account review method

Drawing power ratio is the percentage of loan over the net value of securities.

$$\text{Drawing Power Ratio} = \frac{(\text{Value of Security after haircut}) * 100}{\text{Loan Outstanding}}$$

The Company has elected not to apply the requirements of Ind AS 116 to short-term leases of all assets that have a lease term of 12 months or less and leases

On a daily basis, the risk report will be generated taking the latest end of day price and DP ratio is ascertained. Where the DP ratio is less than 95%, the margin call will be raised to customer. In case of extreme fall in the market, an intraday risk report is prepared and necessary actions are taken for margin shortfall by credit risk team.

Based on Drawing Power Ratio, the loans would be categorized as follows:

Margin Call	Drawing Power (ratio)	Category	Course of Action	Time Lines for action – Equity shares *	Time Lines for action – Other Securities **
Not applicable	95% - 100% (>97% for Securities with security portfolio LTV of greater than equal to 80%)	Normal Loans	Shortfall notice	Within 7 (Seven) working Days failing which positions will be squared off	No action required.
Margin Call	85 - 95 % (97% for Securities with security portfolio LTV of greater than equal to 80%)	Y Category Loans	Shortfall notice	7 (Seven) Working Days to top the margins failing which positions will be squared off.	7 (Seven) Working Days to top the Margins failing which positions will be squared off.
Square off	< 85 % (94% for securities with security portfolio LTV of greater than equal to 80%)	YY Category Loans	Square off after appropriate intimation to customer.	Immediate Square off after giving appropriate intimation to the borrower.	Immediate Square off after giving appropriate intimation to the borrower.

* For any high risk lending against equity shares or mutual funds (for e.g. single stock lending, promoter lending, etc.) case, the stringent timeline of five working days for the Category “Y” shortfall shall apply.

** Any mixed collateral securities portfolio with more than 65% equity shares composition will be considered as a 100% equity portfolio for Margin Call management and process. All regularization timelines as applicable for a 100% Equity Shares portfolio shall apply to such a portfolio.

(c) Credit risk exposure

(i) Maximum exposure to credit risk – Financial instruments subject to impairment

The following table contains an analysis of the credit risk exposure of financial instruments for which an ECL allowance is recognised. The gross carrying amount of financial assets below also represents the Company's maximum exposure to credit risk on these assets.

Asset group	Internal rating grade	As at March 31, 2024			Total
		Stage 1	Stage 2	Stage 3	
Loan against financial securities (LAS)	Performing				
	Minimum Default Risk	-	-	-	-
	Low Default Risk	5,239.17	-	-	5,239.17
	Satisfactory Default Risk	169,112.81	-	-	169,112.81
	Fair Default Risk	7,488.26	-	-	7,488.26
	Moderate Default Risk	-	-	-	-
	Significant Default Risk	-	-	-	-
	High Default Risk	-	-	-	-
	Special Management	-	-	-	-
	Default	-	-	-	-
	Non- performing				
	Individually impaired	-	-	-	-
Total	Total	181,840.24	-	-	181,840.24

35.1 Credit risk management (Contd.)

Asset group	Internal rating grade	As at March 31, 2023			Total
		Stage 1	Stage 2	Stage 3	
Loan against financial securities (LAS)	Performing				
	Minimum Default Risk	-	-	-	-
	Low Default Risk	-	-	-	-
	Satisfactory Default Risk	111,348.10	-	-	111,348.10
	Fair Default Risk	3,374.74	-	-	3,374.74
	Moderate Default Risk	-	-	-	-
	Significant Default Risk	-	-	-	-
	High Default Risk	-	-	-	-
	Special Management	-	-	-	-
	Default	-	-	-	-
	Non- performing				
	Individually impaired	-	-	-	-
Total	Total	114,722.84	-	-	114,722.84

(ii) Collateral

The amount and type of collateral required depends on an assessment of the credit risk of the counterparty. Guidelines are in place covering the acceptability and valuation of each type of collateral.

The Company has internal policies on the acceptability of specific classes of collateral or credit risk mitigation. The Company prepares a valuation of the collateral obtained as part of the loan origination process. This assessment is reviewed periodically. The principal collateral types are:

- Listed stocks
- Units of mutual funds (both equity & debt schemes including Fixed Maturity Plans)
- Bonds (sovereign and corporate)

The fair value of collateral affects the calculation of ECLs. It is generally assessed, at a minimum, at inception and re-assessed on a regular basis.

As per the contractual terms, collateral is permitted to be sold on event of default (Refer Note 35.1(b)(vii))

Particulars	Gross exposure to credit risk	Impairment allowance*	Carrying amount	Fair value of collateral held#
As at March 31, 2024				
- Loan against financial securities (LAS)	181,840.24	(18.18)	181,822.06	539,238.62
Total	181,840.24	(18.18)	181,822.06	539,238.62
As at March 31, 2023				
- Loan against financial securities (LAS)	114,722.85	(11.47)	114,711.38	317,401.42
Total	114,722.85	(11.47)	114,711.38	317,401.42

* Impairment allowance: 0.01% for March 31, 2024; 0.01% for March 31, 2023

Fair value of collateral held includes collateral amount against which no loan is outstanding as at March 31, 2024 and March 31, 2023.

(iii) Loss allowance

The loss allowance recognised in the period is impacted by a variety of factors, as described below:

- Transfers between stages due to financial instruments experiencing significant increases (or decreases) of credit risk in the period;
- Additional allowances for new financial instruments recognised during the period, as well as releases for financial instruments de-recognised in the period;
- Impact on the measurement of ECL due to changes in PDs, EADs and LGDs in the period, arising from regular refreshing of inputs to models;
- Impacts on the measurement of ECL due to changes made to models and assumptions;
- Discount unwind within ECL due to the passage of time, as ECL is measured on a present value basis;
- Financial assets derecognised during the period and write-offs of allowances related to assets that were written off during the period (see note 35.1(c)).

35.1 Credit risk management (Contd.)

An analysis of change in the gross carrying amount of the loan portfolio and corresponding loss allowance:

The following table further explains changes in the gross carrying amount of the loan portfolio to help explain their significance to the changes in the loss allowance for the same portfolio as discussed below:

Asset group	Particulars	Year ended March 31, 2024			Total
		Stage 1	Stage 2	Stage 3	
Loan against financial securities (LAS)	Opening balance	114,722.85	-	-	114,722.85
	Loans given	178,499.42	-	-	178,499.42
	Loans repaid (including partial repayments)	(111,382.03)	-	-	(111,382.03)
	Closing balance	181,840.24	-	-	181,840.24

Asset group	Particulars	Year ended March 31, 2023			Total
		Stage 1	Stage 2	Stage 3	
Loan against financial securities (LAS)	Opening balance	85,822.85	-	-	85,822.85
	Loans given	114,478.92	-	-	114,478.92
	Loans repaid (including partial repayments)	(85,578.92)	-	-	(85,578.92)
	Closing balance	114,722.85	-	-	114,722.85

The following table explains the changes in the loss allowance between the beginning and at the end of the annual period due to various factors:

Asset group	Particulars	Year ended March 31, 2024			Total
		Stage 1	Stage 2	Stage 3	
Loan against financial securities (LAS)	Opening balance	11.47	-	-	11.47
	Loans given	17.85	-	-	17.85
	Loans repaid (including partial repayments)	(11.15)	-	-	(11.15)
	Net remeasurement of loss allowance	-	-	-	-
	Closing balance	18.18	-	-	18.18

Asset group	Particulars	Year ended March 31, 2023			Total
		Stage 1	Stage 2	Stage 3	
Loan against financial securities (LAS)	Opening balance	8.58	-	-	8.58
	Loans given	11.45	-	-	11.45
	Loans repaid (including partial repayments)	(8.56)	-	-	(8.56)
	Net remeasurement of loss allowance	-	-	-	-
	Closing balance	11.47	-	-	11.47

(d) Write-off policy

Margin calls letters are sent to customers whenever there is margin shortfall. In case customer fails to timely top-up the margins and brings it to approved levels, sale of the securities will be initiated by Relationship Managers. Pledge / Lien on Stocks / Other Security will be invoked fully or partially and same will be liquidated to clear the margin shortfall and other dues, if any. In the event of shortfall of securities to cover the outstanding dues, the Company shall initiate appropriate legal action against the customer based on the documentation executed with the customer. Excess fund balance, if any, will be transferred to customer's registered bank account with HIFSL and excess securities will be freed from pledge/lien, post clearing of dues on the account.

The Company may write-off financial assets that are still subject to enforcement activity. The outstanding contractual amounts of such assets written off during the period ended March 31, 2024 was NIL (March 31, 2023 -NIL).

(e) Concentration of credit risk

There are no significant concentrations of credit risk to specific industry sectors and/or regions. For concentration of credit risk to customers, refer note 40 part 19.

(f) Significant estimates and judgements

The loss allowances for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period. Details of the key assumptions and inputs used are disclosed in Note 35.1.

(All amounts in INR lakh, unless otherwise stated)

35.2 Liquidity risk and funding management

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, the Company maintains flexibility in funding by maintaining availability under committed credit lines.

a) Financing arrangements

The Company had access to the following undrawn borrowing facilities, including committed lines, at the end of the reporting period:

Particulars	As at March 31, 2024	As at March 31, 2023
Floating rate		
-Expiring within one year (bank overdraft and other facilities, with renewal option)	37,800.00	20,054.83
-Expiring beyond one year (other facilities)	9,000.00	9,000.00

b) Maturity of financial assets and financial liabilities

The table below summarises the maturity profile of the undiscounted cash flows of the Company's financial liabilities as at the year end. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant. The Company does not have any derivative financial liabilities.

As at March 31, 2024

Contractual maturities of financial assets and financial liabilities	Carrying Amount	Within 12 months			After 12 months		Total
		Less than 3 months	3 months to 6 months	6 months to 1 year	Between 1 and 3 years	Between 3 and 5 years	
Financial assets

Debt securities	38,132.59	38,500.00	-	-	-	-	38,500.00
Borrowings (other than debt securities)	30,751.28	12,246.78	317.54	1,047.24	20,856.34	-	34,467.90
Other financial liabilities	6.71	-	-	6.71	-	-	6.71
Total liabilities	69,032.11	50,858.65	326.61	1,074.54	20,856.34	-	73,116.14

35.2 Market Risk

Market risk is that the fair value or future cash flows of financial instruments will fluctuate due to changes in market variables such as interest rates, foreign exchange rates and price movements.

a) Interest rate risk - lending

Interest rate risk arises from the possibility that changes in interest rates will affect future cash flows or the fair values of financial instruments. The Company's main interest rate risk arises from lending with variable rates, which expose the Company to cash flow interest rate risk. As at March 31, 2024 and March 31, 2023, the Company's lending portfolio at variable rate are denominated in Indian Rupees.

i) Interest rate risk exposure

The exposure of the Company's lending portfolio to interest rate changes at the end of the reporting periods/years are as follows:

Particulars	As at March 31, 2024	As at March 31, 2023
Variable rate loans*	181,840.24	114,722.85
Fixed rate loans	-	-
Total	181,840.24	114,722.85

* The loan amounts are the gross carrying value

As at the end of the reporting period, the Company had the following variable rate loan (asset) outstanding:

As at March 31, 2024	Weighted average interest rate	Balance	% of total loans
Loans	9.39%	181,840.24	100%

As at March 31, 2023	Weighted average interest rate	Balance	% of total loans
Loans	8.67%	114,722.85	100%

ii) Sensitivity

Profit and loss is sensitive to higher/lower interest income from variable rate loans as a result of changes in interest rates.

Particulars	Impact on profit after tax and equity	
	Year ended March 31, 2024	Year ended March 31, 2023
Interest rates – increase by 110 (March 31, 2023: 60) basis points	1,478.43	509.67
Interest rates – decrease by 110 (March 31, 2023: 60) basis points	(1,478.43)	(509.67)

The sensitivity is derived holding all other variables constant

b) Interest rate risk exposure - borrowings

i) Interest rate risk exposure - borrowings

The exposure of the Company's borrowing portfolio to interest rate changes at the end of the reporting periods/years are as follows:

Particulars	Year ended March 31, 2024	Year ended March 31, 2023
Overdraft from Bank	-	1,751.28
Working Capital Demand Loan	12,002.74	10,500.00
Loan from the holding Company	18,500.00	18,500.00
Loan from corporates	10,056.44	-
Variable rate loans	40,559.18	30,751.28
Commercial papers	99,549.65	38,132.59
Fixed rate loans	99,549.65	38,132.59
Total	140,108.83	68,883.87

As at the end of the reporting period, the Company had the following variable rate borrowings outstanding:

As at March 31, 2024	Weighted average interest rate	Balance	% of total loans
Borrowings (other than debt securities)	8.07%	40,559.18	29%

As at March 31, 2023	Weighted average interest rate	Balance	% of total loans
Borrowings (other than debt securities)	7.04%	30,751.28	45%

35.3 Market Risk (Contd.)

ii) Sensitivity

Profit and loss is sensitive to higher/lower interest income/(expense) from variable rate loans as a result of changes in interest rates.

Particulars	Impact on profit after tax and equity	
	Year ended March 31, 2024	Year ended March 31, 2023
Interest rates – increase by 110 (March 31, 2023: 60) basis points	(333.38)	(138.04)
Interest rates – decrease by 110 (March 31, 2023: 60) basis points	333.38	138.04

The sensitivity is derived holding all other variables constant.

c) Interest rate risk exposure - Investments in Debt oriented mutual funds

The Company is exposed to interest rate risk from investments held in debt oriented mutual fund units. These funds invest in debt securities. The exposure to interest rate risk in case of units backed by debt securities is measured using sensitivity analysis as follows:

Particulars	Impact on profit after tax and equity	
	Year ended March 31, 2024	Year ended March 31, 2023
91 days T-bill - increase by 30 basis points	41.38	-
91 days T-bill - decrease by 30 basis points	(41.38)	-

d) Foreign currency risk

The Company does not have any foreign currency denominated exposures in respect of financial assets and financial liabilities as at the balance sheet date that will result in net currency gains or losses in the statement of profit and loss due to change foreign currency exchange rates.

e) Price risk

The Company does not have exposures in respect of financial assets and financial liabilities as at balance sheet date that will result in changes in statement of profit or loss or equity due to change in prices.

37 Core Investment Company (CIC) as part of group companies

The Company is wholly owned subsidiary of HSBC InvestDirect (India) Private Limited “formerly known as HSBC InvestDirect (India) Limited” (HIDL). HIDL was incorporated on September 1, 1997 and principal activity of HIDL is investing in and providing loans to subsidiaries, associates and employees' welfare trusts. Based on RBI CIC regulations and amendments thereto, the Company does not meet criteria of Systemically Important CICs (CIC-ND-SI) and consequently does not require registration with RBI. There are no other CICs within the group.

38 Utilisation of Borrowed funds and share premium

A) The Company has not advanced or loaned or invested (either from borrowed funds or share premium or any other sources or other kind of funds) to or in any other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

B) The Company has not received any funds (which are material either individually or in the aggregate) from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
